School Newsletter

Dear Parents and Carers,

A warm welcome back to the second half of our Autumn term. It's a long term and a busy one, so please let us know if you need any support over the coming weeks.

As we enter into the cold season, please ensure all children come to school in a suitable coat for the weather and any additional hats, gloves or scarves they may need. If it is very wet and you are walking to school, please remember your child can walk in wellingtons and bring their school shoes to change into on arrival.

Our attendance target still remains at 97%, please ensure your child is in school every day so that they do not miss out on key learning that takes place each day, academically as well as socially and emotionally. We will be monitoring attendance closely, and may contact you to arrange a meeting to discuss ways that we can support you in increasing your child's attendance.

Here is a reminder of the NHS link to support you with childhood illnesses that you may encounter. [Is my child too ill for school? - NHS \(www.nhs.uk\)](https://www.nhs.uk/childhood-illnesses) If you are unsure whether your child should be in school or not, you can always contact the school office for advice.

There are lots of events taking place during this half term, please check the calendar overview or the school website calendar to see key dates for your child/children.

We know this time of year can be a difficult one for some of our families, so please remember if you require any support or guidance, please just get in touch, we are always here to help.

Thank you as always, for your continued support and understanding. We look forward to a great half term ahead.

Kind regards,

Mrs J Burger

Headteacher
