# School Newsletter

Dear Parents and Carers,

A huge thanks to Mr Steve who ensured our school was safe in the snow and ice. Despite the snow and ice, we had a fantastic start to 2025 and the new school term.

A huge thanks to all of our families who despite the weather ensured that their children were in school and ready to learn.

It was a busy week, starting our new topics but also with additional enrichment activities such as our Y6 Trust experience to Edge Hill University, Chorley Sports ran a KS2 Pentathlon event as well as our Reception balance bikes session and Y2 and Y5 received their Carbon Monoxide workshops.

Our topics for the Spring term are:

Reception: Winter Wonderland and A Starry Night

Year 1: Bright Lights Big City

Year 2: Coastline

Year 3: Rocks, Relics and Rumbles

Year 4: Misty Mountain, Windy River

Year 5: Sow, Grow and Farm

Year 6: Frozen Kingdom

After school clubs begin this week and we will be running these until the last week of term. Miss Harrison will have been in contact if your child has a place in the club. Any questions regarding after school clubs, please contact the school office.

A reminder that as a school we now work with Compass Bloom. If you have any questions or require any support or information linked to your child's mental health, please contact the school office. Children's Mental Health week is approaching in February and Compass Bloom are running a free webinar for our parents and carers. Please see flyer for more information.

If your circumstances have changed recently or you require any support or advice, please do not hesitate to contact the school office to arrange a meeting or to arrange a phone conversation. We are here to help.

Thank you for your continued support. We are looking forward to a busy term ahead.

Many thanks

Mrs Burger

### NSPCC Assemblies and Workshops

We are participating in the NSPCC's Speak out. Stay safe. Programme this term. Speak out. Stay safe. is a programme for children aged 5-11 which aims to help children understand abuse in all its forms and to recognise the signs of abuse. Children are taught to speak out if they are worried, either to a safe adult or Childline.

This child friendly programme is aligned with the curriculum and consists of age appropriate virtual assemblies and supporting classroom based activities which we have reviewed, alongside NSPCC volunteer led face to face workshops for children aged 6-7 and 9-11. The content is delivered in an engaging and interactive way with the help of the NSPCC mascot Buddy.

If you would like to know more about the Speak out. Stay safe. programme visit [www.nspcc.org.uk/speakout](http://www.nspcc.org.uk/speakout).

The NSPCC have shared some important information below on wider NSPCC resources and support to help keep children safe.
