School Newsletter

Dear Parents and Carers,

On Friday, our girls football team represented Chorley at County Level. The girls showed great sportsmanship and skill and made us very proud. Thank you to Mr Nolan and Mrs Robinson for taking and supporting them during the day.

Last week our children from reception to year 6 took part in NSPCC assemblies. Speak out. Stay safe. is a programme for children aged 5-11 which aims to help children understand abuse in all its forms and to recognise the signs of abuse. Children are taught to speak out if they are worried, either to a safe adult or Childline. If you would like to know more about the Speak out. Stay safe. programme visit www.nspcc.org.uk/speakout.

2025 will be The year of 'Embracing and Transforming' within our Trust family of schools. We will continue with our monthly themes of being Agents of Jesus.

To link with our Christian value of Compassion for this half term, being Agents of Kindness and in line with our Trust Year of Embracing and Transforming we have launched our St. Paul's Spotlight. Each week, a child from each class and a member of staff are chosen at random and throughout the week our community carry out random acts of kindness. On Friday during Celebration worship they have a spotlight seat with treats and receive a Spotlight award containing a collection of words and phrases that their friends and teachers have said about them. This will run until the summer so that each and every child and staff member receives a spotlight to see how loved and valued they are within our school community.
