School Newsletter

Dear Parents and Carers,

A reminder that on Tuesday 28th January, we are holding a parent and carer workshop on Anxiety. This will be led by our Compass Bloom mental health practitioner. If you have not done so already, please contact the school office to book your place. This will take place from 2-3pm. Please arrive at the school office at 2pm.

Children's Mental Health week is approaching. We will be celebrating this and raising awareness during the week beginning Monday 3rd February.

The theme this year is Know Yourself, Grow Yourself. The children will take part in a variety of activities during the week. On Friday 7th February children can come to school, 'Dressed to Express'. This means they can come to school in something they represent them and who they are. This might be a team or organisation they belong to, something they might want to be when they are older, their cultural heritage or their own clothes that represent who they are. We encourage all children to bring £1 donation on this day so that we can raise money for the charity Place to Be.

If you want to join in at home, here are some resources and ideas. [Families - Children's Mental Health Week](#)

Thank you for your continued support and please remember to get in touch if you need any support or guidance.

Many thanks

Mrs Burger

Talking PANTS with your children

Talk PANTS is a simple conversation to help keep children safe from sexual abuse. You can find out more and download the free resources on our website. Penguin and Ladybird have partnered with the NSPCC to create a Pantosaurus book aimed at children aged 4 - 8. The NSPCC has also partnered with a range of charities to help you talk to your child about the PANTS rules. There are a range of PANTS guides available from our website including guides for children with learning disabilities or autism and a BSL video for deaf children.
