School Newsletter

Dear Parents and Carers,

It's been another busy and engaging week in school. Our Year 5 children thoroughly enjoyed their trip to Chill Factor and were a credit to their families with their behaviour and attitudes to trying something new and different. Staff were incredibly proud of the children and we received lots of positive comments.

Hedgehog Houses

In and around our school we are lucky to have hedgehogs. Unfortunately, they are on the IUCN vulnerable list and could become an endangered species. We are looking for any of our school community who would like to build or donate hedgehog houses for our school grounds to help protect them. Please pass any hedgehog houses into the school office.

Hedgehog

Adlington Library Gardening Club

It takes place alternate Mondays 3.30-4.30pm with the next one next Monday 3rd February. [LCC Events](#) This is run by the Friends of Adlington Library, is free of charge and open to all ages. We are hoping to grow herbs and vegetables as well as flowers and learn about all aspects of gardening.

Thank you for your continued support and please remember to get in touch if you need any support or guidance with anything.

Many thanks

Mrs Burger

GIRLS! Want to try Rugby League?

We at Chorley Panthers are hosting open training sessions for school years 5, 6, 7 & 8. Our club along with support from the RFL & various Womens Super League teams are looking to promote girls rugby league in our local area.

Spread the word because the Pink Panthers are back!

Our first session is Saturday 15th February 10:00-11:00 @ Panther Park

If you're interested, or have any more questions please email play-for-us@chorley-panthers.co.uk for more details

	Term Ends	Friday 17th July 2026

School governors give their time, energy, and expertise to help schools thrive. National School Governors' Awareness Day (NSGAD) is an opportunity to recognise their impact, celebrate their commitment, and highlight the vital role they play in shaping education. This year National School Governors Awareness Day takes place on **Thursday 13th February**.

We would like to take this opportunity to thank our amazing governing body for their support in ensuring St. Paul's is the best school for our children to attend. They do an incredible job and we are very lucky to have such a strong and passionate team of people behind our amazing school.

THANK YOU!

There are currently 20,000 vacancies on school boards nationwide and the education charity Governors for Schools help to find and support people are needed to take on the role. If you're interested in making a difference to the educational experiences of children and young people, you can find out more here: [Become a school governor - Governors for Schools](#)

In addition to our Local Governing Body, we also have a team of Directors and Trustees who, as their role within The Learning Together Trust, give their time and expertise to enable our school to thrive.

We're celebrating school governance volunteers and professionals across England and Wales
