# School Newsletter

Dear Parents and Carers,

Welcome back to the second half of our spring term.

A special thanks to Mrs Halsall for her hard work in getting the children ready for the Young Voices concert which will be held at the COOP Live arena in Manchester. Also, a huge thanks to the staff who are giving up their time so that the children can experience this incredible event; performing live with a choir of thousands to a packed out arena. Keep an eye on our 'X' feed @St Adlington to see snippets from the concert.

Our reception, year 1 and year 2 children enjoyed walking Lottie as part of her Big Walk on Friday 14th February. Thank you for your kind donations on Friday, all monies raised will go to Derian House. On Monday 24th February, we are looking forward to welcoming a representative from Derian House to speak to the children. This week, on Wednesday 25th February, our KS2

children will be walking Lottie. Please can children bring wellies or suitable footwear for walking on the field as well as a suitable coat for the weather.

Our Literacy Ambassadors have met with Mrs Chidgey and have planned our World Book Day celebrations. A letter will be sent out today with more information about what they have planned.

Our Community Leaders will be providing weekly 'Eco News' on the newsletter each week. A reminder that the last Eco News focused on recycling batteries. We have a box in the school office to recycle your batteries so please drop off any used batteries to the school office. Eco News can be found on the next page of this newsletter.

As we enter a new half term, our Christian Value is Forgiveness.

Our Ash Wednesday service will be held in St. Paul's church on Wednesday 5th February at 930am and marks the start of Lent. All are welcome to join us in the service.

If your circumstances have changed over the half term break or you need any support or guidance, please do not hesitate to get in touch. You can do so via the school office [bursar@adlingtonstpauls.lancs.sch.uk](mailto:bursar@adlingtonstpauls.lancs.sch.uk) or 01257 480276.

We look forward to the term ahead and to welcoming you all into school on Tuesday 4th February for Parents Evening.

Thank you for your continued support

Many thanks

Mrs Burger

## ECO News

Peace and prosperity for people and the planet: The 17 Sustainable Development Goals were born at the United Nations Conference of Sustainable Development in 2012. The objective was to produce a set of universal goals that meet the urgent environmental, political and economic challenges facing our world, with all countries – developed and developing working together. They recognise that ending poverty and other deprivations must go hand-in-hand with strategies that improve health and education, reduce inequality, and spur economic growth – all while tackling climate change and working to preserve our oceans and forests. As a school we are promoting these goals through the children's learning to ensure they have a knowledge and understanding of the wider world around them.
